

Alignment Jackson Middle School Team Meeting

Friday, April 8, 2016 11:00 AM

United Way Conference Room

Members present: Chinelo Evans, Betty Epps-Dixon, LeMond Roy (in for Ron Thornton), Precious Malembeka, Shanina Carmichael

1. Welcome and Introductions

Chinelo called the meeting to order at 11:10am.

2. Middle School Update

3. Resource Guide ITP

The team has not received many submissions, and it may be because there are simply not many opportunities for middle school students. The team brainstormed other possible ideas for moving forward.

Ms. Evans updated the group about the Middle School Division Innovations (see handout). The goal is to create an academy at each middle school. (Hardy Academy of Career Exploration, Powell Academy of Military Science, Rowan Academy of Achievement)

The Middle School Leadership Retreat with the Academy Ambassadors was a big success!

With lessons learned from the announcement at Rowan Middle School, there may be an opportunity for this team to partner with the Family Engagement Team in the future.

4. Next Steps

Meeting adjourned.
